

## World CLT Day 2024 How to Participate

We are inviting all CLTs around the world to come together on May 17th and 18th for World CLT Day to celebrate the global community land trust movement!

This event is a chance to spotlight our diverse CLT community and showcase your impactful projects to peers worldwide. We're excited to see and hear—in your language—from you and your CLT communities. *After World CLT Day 2024 concludes, we'll compile all your photos and videos into a highlight reel to share with everyone.*
